You don't have to be an artist or a photographer to enjoy your stay with us. Partners of our painting and photography clients who don't want to do either are nonetheless very welcome; furthermore they are eligible for a 30% discount on their holiday cost!

So what is there for such guests to do? Well, you could stay at the house and enjoy the pool and facilities, like the *Petanque (Boules)* court. If you enjoy making music, we have a good quality guitar and an electronic keyboard you can borrow.

BUT, there is also much to see in the area, and you can see a good deal of it under your own steam. Maybe you'd like to take a walk, or hire one of our mountain bikes and seek out the local villages and riverside paths. Reliable and economic car hire is also available in Tonneins (5 kms away) and in Marmande (.16 kms away).

Just a kilometre or so away is a nature reserve where; you may even be lucky and see a rare bird of prey.

Hire a cycle from us and take a ride along the new "Voie Verte"* alongside the Canal Latéral to the pretty little village of Le Mas d'Agenais and see the Rembrandt altar piece hanging in the nave of the church of St. Vincent (above).

The canal lies just 700 metres from our back door.

You could even hire a boat or canoe for a while or, if you like fishing, why not have a quiet, restful day trying for some carp in the canal or La Garonne. We'll even hire you a rod and line!

Lunches are not included for non-participating guests. Food is available at the "Halte Nautique" on the banks of the canal, just a few minutes walk from the house.
