"PayPal is the safer, easier way to pay and get paid online. The service allows anyone to pay in any way they prefer, including via credit cards, bank accounts, buyer credit or account balances, without sharing financial information.

PayPal has quickly become a global leader in online payment solutions with more than 153 million accounts worldwide. Available in 190 markets and 17 currencies around the world, PayPal enables global ecommerce by making payments possible across different locations, currencies, and languages.

PayPal has received more than 20 awards for excellence from the internet industry and the business community -most recently the 2006 Webby Award for Best Financial Services Site and the 2006 Webby People's Voice Award for Best Financial Services Site.

Located in San Jose, California, PayPal was founded in 1998 and was acquired by eBay in 2002."

Here at **Painting Photography France**, we have been using PayPal for business and personal transactions since 2001 and have had no problems or issues with it whatsoever. It is used by millions of people around the world and is now necessary if you ever want to buy anything on eBay.

To make a payment via PayPal, you will need to create your own PayPal account. Setting up a PayPal account is quick and painless, just visit [www.paypal.co.uk](http://www.paypal.co.uk) or [www.paypal.com](http://www.paypal.com) and click the "sign up" button.

Click [this link](#) to see a video explaining how PayPal works.

Please note that we receive no payment from PayPal for promoting their service (in fact every payment made to us via PayPal by clients results in a charge to us for the service. That's how they make their money!)

\* If you live in the USA and wish to pay via credit card it is not necessary to hold a PayPal account. Simply

- go to [www.paypal.com](http://www.paypal.com) and click the "Send Money" tab (just below and to the right of their "Home" button).
- enter our email address - [peter.evans@painting-photography-france.com](mailto:peter.evans@painting-photography-france.com)
- enter your own email address and the amount and follow the system prompts

\* PayPal/Credit Card payments are accepted only from non-UK residents living outside the Euro zone
