We will transport you around the region using a Peugeot 807 and/or a Renault Scenic, vehicles specially selected for the task as they offer our clients high levels of visibility, comfort and safety.

So as to bring a little coolness and freshness to days that can sometimes get a little warm, the vehicles are fully air-conditioned (with separate controls for the rear in the 807).

Each vehicle also carries a refrigerated unit for food and drinks etc (which keeps the rosé nice and cold!)

Tonneins (pronounced "Tonnass"), is just 5 kms away from "chez nous". With a population of 9,500 it is the fourth largest town in the Lot-et-Garonne and has several nice bars, restaurants and cafes. If you wish to visit there on your day off, we will transport you to and from the town at pre-arranged times.

The immediate area around the house is in the old flood plain of La Garonne and is therefore very suitable for cycling.

You could cycle along the beautiful Canal Latéral (above) and visit the pretty village of Le Mas d'Agenais whose wonderful church of St. Vincent actually has a Rembrandt hanging in the nave!

Cycles are available for hire from us at 10 Euros per day (or part thereof).

If you wish to hire a car locally (available in Tonneins and Marmande), or drive down to us in your own car, we have ample parking space available
